Dear Dr. Kaps,

I really enjoyed talking to you today for research assistant position. I feel great about today's interview. I also feel comfortable with position's tasks workplace's atmosphere. I hope my qualifications met your expectations.

I will fit to this position by using my one year experience in bridge program preparation and computer security classes. I will use my current research skills, writing across curriculum skills, and discipline knowledge to help me add to the account of this position.

I am so grateful to you for giving me a chance to be interviewed and I am also ready for further interviews or queries and you can contact me at ealzahra@gmu.edu or (813)-507-5688. I hope I will hear from you soon about this position.

Sincerely,

Esam Alzahrani
